---

Gary,

As promised here is the waste stream table with notes as to where we are at with disposal. This is a forever changing list so I'll need to update you on this as things change. I am working right now on getting a list of data sets around that Lonestar will need in order to establish approvals on AST's and WWT tanks. I'll keep you posted. Let me know if you have questions.

Thanks,

**Beth Crawford**
